Maisie Poppins Nursery: Updated Policies & Procedures

Intimate Care Policy & Procedure

Policy

We will provide all of the following:

- Nappies (eco, biodegradable)
- Baby wipes (sensitive, eco & biodegradable)
- Nappy bags (biodegradable)

We will provide a changing mat, which will undergo antibacterial and safe cleaning between each use and nappy sacks and a nappy disposal system.

We are happy to take a child in real/cloth nappies.

We will change your child regularly and immediately if they have soiled a nappy. We believe that changing a nappy should provide lots of opportunity to communicate with your child and as their understanding grows provide time to discuss basic hygiene issues, preparing them for toilet training.

We will support your child to wipe effectively, wash their hands properly, learn to flush the loo and undress and dress independently in order to go to the toilet.

Procedure

When your child starts to show signs that they are becoming aware of their bodily functions we will indicate to you that we have noticed this and await to hear your plans on toilet training your child which we can discuss together. It is unusual for a child to be ready to be toilet trained much before their second birthday and for some children it can be a lot later.

Maisie Poppins
Nursery

the holistic approach to childhood

If we start the training and your child is not ready then we can stop and start again when they are. Some children take to toilet training overnight and for some it is a longer process, the most important thing is that we work together to give your child the support and reassurance they need during this period. We will provide you with daily feedback on how we are progressing with this training in partnership with you.

In order to help your child, become independent in going to the toilet we provide the following equipment:

- Toilet trainer seat
- Steps for the toilet and the wash basin
- Anatomically correct Dolls
- Books on toilet training
